

Decision Making

**THE
DIGITAL
CRAFTER**

WORKSHEET

- Describe the problem in detail.
- List as many solutions as possible – no matter how bizarre or impractical.
- Review each of these options and choose the top 3 that you think are the best

- Prioritise your top three choices

1.

2.

3.

- Develop a plan to implement your first choice. Set a time to evaluate it.
- If it is not working, develop a plan for the second choice and a date to evaluate.
- Continue this process as needed.
